SUMMARY

Software Professional with hands-on experience in both Frontend Development and Manual Testing through internships and real-world projects. Skilled in building responsive web apps using React.js, JavaScript, HTML, and CSS, and in manual testing, including test case creation, execution, and defect tracking. Strong understanding of SDLC/STLC, and passion for delivering user-friendly high-quality software solutions.

TECHNICAL SKILLS

- **Frontend:** React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap
- **Backend & APIs:** Node.js, RESTful APIs
- **Databases:** MongoDB, MySQL
- **Tools & Platforms:** Git, Postman, Swagger, VS Code, JIRA
- **Testing:** Manual Testing, Test Case Writing, Defect Tracking, Smoke/Sanity/Regression

EXPERIENCE

AccioJob – Software Developer (Trainee)

Jan 2024 – Present

Smart Attendance Management System

Noida, IN

- Developed clean, reusable UI components using React.js.
- Integrated frontend with REST APIs for attendance and tracking modules.
- Implemented validation and business logic for real-time accuracy and reporting.
- Improved UI responsiveness and performance across devices and browsers.
- Identified and fixed functional UI and bottlenecks through debugging.
- Collaborated with designers, backend developers, and stakeholders.
- Created and executed manual test cases for the login, attendance marking, and reporting modules.
- Logged and tracked bugs using JIRA and verified fixes during re-testing cycles.

Tech Stack: React.js, JavaScript, Bootstrap, REST APIs, Node.js, MySQL, Git, VS Code, JIRA

UnCodemy – MERN Stack (Apprentice)

May 2023 – Nov 2023

LearnSphere LMS

Noida, IN

- Developed responsive UI modules based on functional requirements.
- Reusable front-end components created to improve development efficiency.
- Identified and resolved UI performance bottlenecks.
- Collaborated with cross-functional teams to meet deadlines.
- Assisted in testing, debugging, and deployment activities.

Tech Stack: React.js, JavaScript, HTML, CSS, Git, VS Code

Hexatech Innovation – Internship

Dec 2022 – Feb 2023

Calculator and Bubble Game

Jodhpur, IN

- Built a responsive Calculator App with input validation.
- Developed a Bubble Game with scoring logic and improved UX.
- Focused on improving UX and performance.

Tech Stack: JavaScript, HTML, CSS, Git, VS Code

EDUCATION

Master's Degree - Lachoo Memorial College of Science & Technology, Jodhpur, India

2018–2020

Bachelor's Degree - Lachoo Memorial College of Science & Technology, Jodhpur, India

2015–2018

CERTIFICATIONS

- Trainee – Frontend Development (UnCodemy)
- Internship – Software Development (Hexatech Innovation)
